5 Bedroom, 3.00 Bathroom, 1,080 sqft
Residential on 0.11 Acres

Cedarbrae, Calgary, Alberta

Ideally located on a quiet, mature street surrounded by well-cared-for homes, this versatile bi-level offers over 1,950 sq. ft. of fully developed living space in move-in-ready condition with a rare combination of updates, functionality, and location. The main floor was extensively refreshed in 2015 with a stunning kitchen renovation featuring stainless steel appliances, custom cabinetry, a new window, and rich hardwood flooring throughout the main living area, complemented by stylish wood railings and a modernized 4-piece bath. The sun-filled living room, anchored by a brick-faced gas-assisted wood-burning fireplace, creates the perfect setting for entertaining or relaxing, while three bedrooms, including a primary with convenient 2-piece ensuite, complete the level. The lower floor continues to impress with large above-grade windows, a spacious family room with a second wood-burning fireplace, two additional bedrooms, and a flexible layout currently set up as a salon but easily convertible into a rec room or secondary suite (with city approval), along with a renovated 3-piece bathroom. Outside, the expansive south-facing backyard is a true retreat designed for entertaining and everyday enjoyment, with a stamped concrete patio, newer concrete walkways, a sun-drenched deck with storage underneath, lush gardens, and a garden shed, all while still offering room for a future double garage plus RV parking. Additional updates include a newer roof (2014) and brand new

washer/dryer (2024). All of this comes in a prime location within walking distance to parks, playgrounds, and top-rated schools, just minutes from Costco, Southcentre Mall, and Fish Creek Park, with seamless access to Stoney Trail for quick mountain getaways to Banff, Canmore, Lake Louise, and Kananaskisâ€”making this an exceptional opportunity to own a move-in-ready home with endless potential in one of Calgaryâ€™s most connected and family-friendly communities.
